

InsightGPT Pro - Q3 2025 Financial Report

CEO Statement:

"This quarter has been a landmark period for InsightGPT Pro. We saw unprecedented growth in the East region, driven by the successful launch of our new 'Widget C'. Our strategic focus on data-driven decision making has paid off, and we project a 20% increase in revenue for the upcoming quarter. We also expanded our logistics network, reducing shipping times by 15%."

Key Financials:

- Total Revenue: \$5,000,000
- Net Profit: \$1,200,000
- New Customers: 5,000

Operational Highlights:

- Launched 'Widget C' in the East region.
- Reduced average shipping time by 15%.
